

BID SHEET GUIDE

A bid sheet is used by members, leaders and/or a parent to secure livestock bids on 4-H market animals.

A bid sheet is a guide for a person wishing to purchase a market animal for a prospective buyer that authorized the purchase with certain limitations regarding the dollar amount to be paid for the animal.

Step by Step:

1. A representative should promote the livestock sale to businesses and individuals to purchase an animal.
2. When a buyer wishes to purchase an animal, but indicates they will be unable to take part at the auction you should suggest the use of the "bid sheet."
3. To purchase more than one animal, fill out a bid sheet for each animal they would like to purchase.
4. **Fill out the bid sheet with the business individual interested, authorized and responsible for payment of the purchase of the animal. Include a phone number to be reached at.**

The amount of Bid ~ Indicate the amount that the prospective buyer is willing to pay for an animal per pound. All animals except poultry and rabbit are sold on a per pound basis.

5. LIVE WEIGHT WANTED - The prospective buyer needs to indicate the "estimated" pounds they are willing to bid on. The person bidding for the buyer should stay within the range suggested.
6. 4-H MEMBER NAME - If a prospective buyer wants to purchase a particular animal they should indicate so by listing the member name. The buyer should be aware that they might not be the top bidder for the animal with the suggested bid and live weight desired.
7. ARRANGEMENTS - The prospective buyer must indicate where the animal will be processed.
8. **UNABLE TO ATTEND** - If a person wants to buy an animal(s) but will not be able to attend the sale they **MUST** sign and give authorization to have the Sales Committee representative bid for them. Submit the form to the Extension Office or call 447-8346.
9. **PAYMENT** - The prospective buyer must be aware that if they are successful in their bid for the animal payment is due on the day of sale unless prior arrangements have been made with the Extension Office. Checks are to be made to: *Lewis and Clark 4-H Council*.
